October, 2009

“O the depth of the riches, both of the wisdom and knowledge of God! How unsearchable are His judgments and His ways past finding out!” – Romans 11:33 In this CP edition you will read about several “natural disasters” (devastating floods) in Togo, the Philippines, and India. Often we do not understand God’s ways, but, as the English preacher, Charles H. Spurgeon said, “When you can’t trace His hand, trust His heart.” May we lift our eyes to our Lord Jesus in adversity and trial. We **can** trust His heart.

With love and prayers,
Your brothers and sisters at SLM-HQ ☺ ☺ ☺
